

# Collective Worship (Reflection Time) Policy

Policy date: Jan 25

**Ingol Community Primary School**  
**Collective Worship Policy**

The Collective Worship Policy at Ingol Community Primary School pays due regard to statutory requirements, and has taken account of the guidance offered by the LEA through its SACRE.

The Collective Worship Policy of our school is consonant with the philosophy and aims of the school as expressed in the school prospectus.

**Definition of Collective Worship**

Collective Worship is known as **Reflection Time** at Ingol CP. This is a time when the whole school, or groups within the school meet together in order to consider and reflect on common concerns, issues and interests. It offers all pupils an opportunity to worship through engaging in relevant, meaningful experiences and provides opportunities for the pupils' spiritual, moral, social and cultural development.

**Aims of Collective Worship/Reflection Time**

**For the School:**

Collective Worship contributes significantly to the ethos of Ingol Community Primary and it is our aim that it is a time when the school community can:

- share common aims and values
- celebrate achievement and special times
- explore together the world in which we live
- develop a community spirit

**For the Pupils:**

We also intend that Collective Worship contributes to the development of the pupil as a 'whole' person by providing opportunities to:

- worship that which is considered worthy
- consider spiritual and moral issues
- explore their own beliefs
- develop their own spirituality
- reinforce positive attitudes
- participate and respond
- reflect on what it means to be human

### **The Contribution of Collective Worship to aspects of the Curriculum**

Collective Worship time is distinct from curriculum time. However, our Collective Worship will at times feature aspects of the curriculum, which will enhance the experiences of pupils by reflecting on the work done in classes. At times, Collective Worship will enrich classwork through its consideration of subject matter from different perspectives. We will use Picture News resources to ensure our **Reflection Time** includes all aspects of SMSC, British Values and Protected Characteristics

The provision of opportunities for pupils' spiritual, moral, social and cultural development is in line with school policy which informs our practice. To ensure Collective Worship provides opportunities for spiritual, moral, social and cultural development it should address a wide variety of themes and topics, use diverse stimuli and resources and provide pupils with the opportunity to 'respond' on their own level.

### **The Organisation of Collective Worship**

Daily Collective Worship will take place in classes, will be known as **Reflection Time** and will usually last for approximately 15 minutes, although it is recognized that this time will be shortened or lengthened when it is appropriate.

### **Leadership**

Visitors will be welcome to lead Collective Worship from time to time. School Leaders from Faiths within the area will increase the pupils' awareness, promote respect and raise the esteem of the pupils who belong to these Faiths.

### **The Act of Collective Worship**

A variety of teaching and learning styles and active and interactive methods are appropriate in acts of Collective Worship. Any and all of the methods employed in the classroom can be used effectively in acts of Collective Worship. A variety of resources will also be used. Leaders will choose the style/method and resources which are appropriate to the content, the age, aptitude and the background of the pupils.

The content and process must be sufficiently stimulating in order to evoke a response in the individual. This may not be visual, but opportunity must be given to express this response through reflection and prayer.

**Withdrawal**

Any parent who objects to their child attending an act or acts of Collective Worship may request that their child is withdrawn. Parents are encouraged to discuss this with the headteacher. Any pupil who is withdrawn from an act or acts of Collective Worship will be supervised during that time by a member of the school staff.
