

Christianity – God

What should I already know?

- To know the importance of love and relationships in families
- To know the meaning behind the Lord's prayer
- To know what a sin is
- To understand why Christians pray and who they pray to
- To recognize some stories linked to the Christian faith

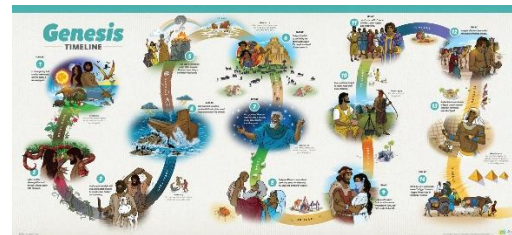

Fun Fact

There are about 2.4 billion followers of the Christian faith

Key Vocabulary

Charity	Sharing things you have with others, or giving things to people who need it.
Hymns	A special song of praise, love and thanks
God	The person who Christians worship
Harvest	The gathering of crops and a time to celebrate food around the world
Creation	The making of new things – the creation of the world (linking to Genesis)
Religion	A set of shared beliefs, rules and traditions
Beliefs	A strong feeling or idea about what to follow or believe

Key Skills I will learn

- To understand the good and bad aspects of the world
- To understand the importance of Genesis 1
- Identify beliefs behind Christian hymns
- To recognise how people/organisations help the environment
- To recognise how harvest is important around the world (sharing food)
- Retell and suggest meanings for religious stories
- Explain how religion is described in different ways
